No. L/PR/ 41 /2024

Dated: 04.02.2024

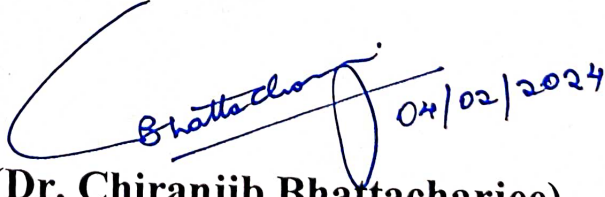

**NOTIFICATION**

This is to draw the attention of all concerned that every Question Paper of H.S. Examination 2024 bears a Unique Serial number for security measure. All the Centre-in-Charges, Centre Secretaries, Venue Supervisors and Invigilators are instructed to inform all the examinees to follow the undernoted instructions:

**Instructions for Examinees:**

1. Locate the Serial Number: At the beginning of each examination, examinees will find a serial number printed on the top right corner of their question paper.
2. Writing Serial Number on the Answer Script: On their answer script, examinees must legibly write the corresponding **Serial Number** from their question paper. This should be done without fail for every examination day.

At the time of verifying and signing the answer scripts of the examinees, all the Invigilators must also ensure that the candidates have noted down the Serial Number of the allotted Question Number on the answer scripts positively. Then only, the Invigilator will put his/her signature on the answer script.
